

At Salt whisky bar and Dining room, we're working hard to provide our customers the best we can every time. We are committed to look after the personal data you share with us. We want you to be assured that your information is safe and secure with us. This privacy policy meant to describe how we collect, use, protect and share the personal information of our customers. Please take the time to read this privacy notice, since it contains significant information about the way that we handle personal data.

What Information Do We Collect?

We collect personal information from you when you visit our restaurants, interact with us or uses our website. We may collect the following group of personal data relating to our existing or prospective customers:

- name;
- email
- title
- personal and/or business email address;
- home address;
- home and/or business telephone number;
- date of birth;
- social occasion information;
- details and records of your request, complaint or query;

It is to be noted that your providing of your personal information is voluntary except in the situations where your providing of personal information is necessary to provide a service or is required by law.

How we use the information we collect?

We may use the information we collect in the following ways:

- To carry out your requests for our products and services;
- To communicate with you about your requests and queries;
- To provide online services to you, which includes our websites;

- to send you e-mails or text messages about our products and services, promotions or special events that we believe may interest you;

How Do We Protect Your Information?

We are committed to look after the personal data you share with us. And so, access to your Personal Information is restricted to those who have a need to manage it. This could include our employees of our group companies, but your data will be protected in the same ways as outlined in this Privacy Policy.

If you're using a mobile phone or tablet to use our Service, we advise that you have an appropriate passcode.

How long will Salt keep my information for?

We will process your personal data only for as long as is necessary for the purposes for which it was collected in connection with the provision of service to you.

We won't keep your Personal Information for longer than is necessary for our legitimate business purposes or than is required by law.

Third party sharing

We never share your information with the third party. However, we have the right to use or share personal information if there is any statutory request, or in connection with investigating fraud or other crime, or violations of our policies.

Your Right

You have the right to ask us to customize or amend any information that is not correct, ask us to unsubscribe you from sending marketing information or even to ask us to delete your account and the correlated Personal Information.

Changes to this Privacy Policy

We may sporadically amend this Privacy Policy to reflect new company initiatives or changes in the law or technology. Any amendments we make to this Privacy Policy will be publicized on here so that you are always up to date of the latest version.

If you have any other questions about what we do with your Personal Information please contact us using one of the methods below:
